

WHAT IS EZGEL®?

THE AUTOLOGOUS BIO-STIMULATING GEL

100% NATURAL & REGENERATIVE GEL

EZGEL is a **100% Natural, Regenerative and Bio-stimulating Gel** offering infinite new possibilities in the use of autologous blood concentrates. Using the body's own powerful proteins, instead of relying on trending artificial chemical components, **EZGEL** is the prime treatment for skin rejuvenation.

WHAT CAN EZGEL® DO?

Treats symmetry adjustment

Rejuvenates the skin

Stimulates collagen production

Reduces signs of aging
(wrinkles, fine lines, loose skin)

Reduces acne scars

HOW DOES IT WORK?

EZGEL is obtained by mixing the growth factors of liquid **EZPRF (PRF)** and the **Albumin of Plasma**. This is achieved by the centrifugation and heating process of a whole blood sample without chemicals or modifications. **EZGEL** provides **innovative, flexible consistency** allowing the **gel's viscosity** to adapt to the various areas of treatment.

4 EZSTEPS

- 1 Blood draw.
- 2 Prepare the Albumin-Rich Plasma using the **EZMINISPIN** centrifuge and the **EZHEAT** device.
- 3 Prepare the **EZPRF** Platelet-Rich Fibrin using the **EZMINISPIN** centrifuge and the **EZCOOL** device.
- 4 Prepare **EZGEL** by mixing the Albumin-Rich Plasma with **EZPRF**.

FAQ

► *How does **EZGEL** stimulate rejuvenation?*

EZGEL is 100% autologous and natural. It is the combination of Seroalbumin and Growth Factors.

The miraculous human body naturally produces certain proteins and growth factors to heal itself when necessary. **EZGEL** uses this exact material, found in our own blood, to produce a unique concentration of proteins and growth factors, naturally stimulating and maximizing the regenerative process of diverse cell types and tissues, resulting in incredible outcomes in terms of skin rejuvenation. The extended release of growth factors and bio-stimulation make **EZGEL** the most organic, beautification gel.

► *How long does this procedure take?*

The protocol for the preparation of **EZGEL**, recommended by our medical director, **Kian Karimi MD, FACS**, takes between 17 - 20 minutes. The duration of the procedure may vary depending on the combination of treatments a practitioner uses.

► *Is **EZGEL** for everyone?*

Yes! **EZGEL** is well tolerated by most patients. As its source is **100% natural and free of all chemicals**, it's the safest gel on the market. **EZGEL's** versatility makes it easy to incorporate in a natural rejuvenation treatment plan fully customizable by you.
